ACKNOWLEDGMENTS

This study has been carried out and the report is presented for the partial fulfilment of the degree of Master of Business Studies (MBS) of Tribhuvan University. I would like to acknowledge Office of Dean Faculty of Management, Tribhuvan University for giving me such a valuable opportunity to use the theoretical knowledge in my study.

This thesis would be just impossible without distinct support and guidance from personalities who believe in me and my study. I would like to give warmest gratitude to my thesis supervisor Associate Prof. Rakesh C. Misra, whose sharp sense of research direction have provided feedback to improve the quality of this thesis.

I would like to express my warm gratitude to lecturer Mr. Shree Ram K.C., who in-sighted me during the research period.

I also express my gratitude to my dearest friend Yogita Fauzdar and Mahendra K. Chaudhary for their continuous support and valuable information. Last but not the least my thankfulness is also there for those whom I might not have mentioned in particular.
