ACKNOWLEDGEMENTS

Many individuals have generally contributed on shaping and bringing this thesis to this point. I am indebted to all of them for their tremendous help, encouragement and insightful as well as constructive comments.

I am primarily indebted to my supervisor, Mr. Lalan Dwibedi his invaluable guidance, support and encouragement throughout this study. This study would not have been completed in time without this intellectual and personal support. My feelings of sincere gratitude goes to Dr. Deepak Shakya chairman of research committee, Mr. Avinash Prasad Singh Associate Prof. and all the teacher and staff of Thakur Ram Multiple Campus who have been very cordial, friendly and helpful to provide me with the necessary information and guidelines every time I paid a visit to them during the making of this work.

I am also very much thankful to the personnel at my own office for their various support, valuable suggestions and active Co-operation to complete my work.

Finally, I am very much grateful to my family for their encouragement and moral & physical support during the preparation of this thesis. I express debt of gratitude my teachers, my friend Omprakash Sah and other friends for their continuous support, help and inspiration in my study. Lastly, I apologize for my errors committed in this work.
