ACKNOWLEDGEMENTS

Giving me great opportunity to prepare this thesis to fulfill the partial requirement of MBS program held under Tribhuvan University, I would like to heartily thank to Tribhuvan University.

I express my profound gratitude to my supervisor **Dr. prof. Manohar Krishna Shrestha** for her patient and continuous guidance with valuable comments and kind support to me all way through this thesis.

I also owe an indebtedness to all reputed authors whose writings have provided me the necessary guidance and invaluable materials for the enrichment of my research paper in all possible ways. I would like to express my genuine appreciation to all the staff of central Management Campus, Central library staff and Security Board library that provide me necessary information and data. And also express my gratitude to the staff of various corporate bodies who bigheartedly made accessible the requisites information.

I have tried to cover all the possible matters that I felt, important to sum up the **“Portfolio Analysis of Investment Pattern of Commercial Banks in Nepal”**. I am hopeful that this task will be helpful to the students of business studies and to those who want to make further researchers under this topic.
