ACKNOWLEDGEMENT

I am grateful to many people for their advice, support and assistance in completing this thesis. I would like to express my sincere appreciation to Patan Multiple Campus, faculty of Management, T.U. for providing me the opportunity to work upon this topic. I am primarily indebted to my thesis Supervisor Mr. Bishnu Gopal Khimbaja, Faculty of Management, Patan Multiple Campus for his invaluable guidance and support throughout this study. This study would not have been completed in time without his intellectual and personal support.

I gratefully acknowledge the co-operation received in data analysis and interpretation. Thanks to all the staffs who despite their busy schedule co-operate with this work by providing especially available data and information. Special mention should be made of teachers & staff Mr Suman Pradhan and Library member of Patan Multiple Campus for providing me needed materials and of Nepal Investment Bank, Himalayan Bank Ltd., Nepal Stock exchange. I am indebted to all the authors, researchers and academicians whose reference materials are used in this study.

I would like to express debt to my family for their continuous support in my efforts. I am thankful to all friends.

Last but not least, I express my affectionate credit to all those persons who directly or indirectly support me and provide valuable suggestions for the completions of this work.

Needless to say, I am also no exception from the error of human kind so I alone am responsible for any deficiencies that may have remarked in this work.
