ACKNOWLEDGEMENT

I express my sincere gratitude to all the authors and learned personalities, whose writings have been cited in this study. I also express my sincere gratitude to those authors whose writings though are not cited but helped and inspired me in making my vision clear and reaching on conclusion.

I extend my deep sense of indebtedness to my respected supervisor Mr. Achyut Gyawali for their precious guidelines, inspiration and suggestion thoroughly during the period of this research. Without his valuable insight, I would not think of accomplishment of this thesis, and Nepal Rastra Bank Nepal Ltd. for the cooperation shown and providing necessary data.

I want to give thanks for the staff members of T.U. Central Library, Department Library who provided the reference and reading materials during the period of research.

Finally, I would like to express my sincere gratitude to my family members, all my friends for their assistance, timely encouragement in every step and specially me thanks goes to Mr. Jay Paudel for his well computer support.

Thank you.
