ACKNOWLEDGEMENT

I would like to express my sincere appreciation to Shanker Dev Campus, faculty of Management, Tribhuvan University for providing me the opportunity to work upon the topic.

I am highly indebted to my respected teacher **Dr. Shilu Manandhar Bajracharya** of Shanker Dev Campus for supervising the thesis work and continuously providing intellectual guidance, valuable suggestions and assistance during the period of work. Further, I would like to express my heartfelt sincere appreciation to the all campus family for their warm co-operation in every step of my research.

I am very much obliged to my friends and family members for their support during the research work whose help and supports are really notable. I would like to express my sincere gratitude to all the personal of the banks for their mild co-operation. I would like to acknowledge **Mr. Ananta Kafle, Nishil Dhakal** for their help in data collection and obviously to All my friends Punam, Sami, Srijana who made me endure the time of my difficulties with their unfailing humor and warm wishes.

Last but not least, I express my affectionate credit to all those persons who directly or indirectly support me and provide valuable suggestions for the completion of this work
