ACKNOWLEDGEMENTS

As the partial fulfillment of the MBS degree, I have prepared this report. During the course, I worked with sincerity, honesty and diligently, as far as possible. But beside my continual efforts, I also got unforgettable support from different people and completing my work.

Firstly, I would like to pay thank to my husband who help me to study the master level both financially and spiritually. Due to his non-stopping support for guidance, today I come in thesis position. So I would like to share the credit of success with my husband as well as my sibling and my parents. I'm really indebted by them.

After this, I would like to express my cordial gratitude to my all teachers, who taught me up to now. For this dissertation, I would like to pay my sincere thanks to my thesis supervisors **Prof. Dr. Kamal Deep Dhakal and Romakant Bhattarai** of Shanker Dev Campus. Their incessant suggestion and guidance from the beginning to the end is really an appreciable effort. Their valuable support for the preparation of proposal to thesis is really praise worthy things. I am extremely indebted by their efforts despite of busy schedule.

I would also like to express my gratitude to all other members of Shanker Dev Campus, especially, staffs from MBS department, libraries staffs as well as all known and unknown people who supported as well as inspired me to complete this thesis.

Last but not least, my sincere thanks go to my friends, Anu Subedi, Puja Khanal, Chetnath Khakurel and I. Design Cyber for their help in my thesis and valuable suggestion.

Indra Kumari Burlakoti
