## ACKNOWLEDGEMENTS

This thesis entitled "Inflow of Remittance and Its Utilization in Nepalese Economy" A Case Study of Amchok VDC, Ilam, is prepared to meet the requirements for the Master of Arts in Economics. During the study period many hands directly and indirectly help to achieve the desire objectives.

I acknowledge with gratitude, appreciation and ineptness to my respected teacher and supervisor Associate Prof. Dr. Ram Prasad Gyanwaly for his loving guidance, who gave me consistent encouragement and indispensable comments with patience despite his tight schedule to make the best of my thesis. I can Never Repay his genuine suggestion.

I express my deep sense of respect of respect to Professor Dr. Rudra Prasad Upadhaya the Head of the Central Department of the Economics for his suggestion and encouragement. I am deeply indebted to my friend Sanju Pangani for her valuable suggestion and insightful ideas. I am sincerely thankful to all my respected teacher of this Department who directly and indirectly helped me in the course of writing. There are many other friends inducting Jyoti, Srijana, Gita, Gopal, Purnananda, Kamal, Lokmani as well as all my friends who have helped me under take the study. Similarly my sincere thanks to brother Jeevnath Prashai and Meghraj Upadhaya for their incessant support and cooperation to bring forth this research paper.

The complication of this thesis would have been impossible without whole hearted support of my parents Chitrakhar and Laxmi Subedi, brother Jeewan and Remesh Subedi, my especial sense of respect for support and encouragement in steps my life.

Finally, I would like to tanks to Mr. Keshab Ahhikari (Everest Computer Centre Kirtipur) and Mr. Hemanta Bhattarai for their Contribution in technical support.

Devi Subedi

CONTENTS	iv
LIST OF TABLES	vii
LIST OF FIGURES	ix
ABBREVIATIONS	x
<b>CHAPTER I: INTRODUCTION</b>	<b>1</b>
1.1 Background of the Study	1
1.2 Statement of the Problem	3
1.3 Objectives of the Study	4
1.4 Significance of the Study	4
1.5 Limitation of the Study	5
1.6 Research Methodology	6
1.6.1 Selection of the Study Area	6
1.6.2 Nature and Source of Data	6
1.6.3 Primary Data	6
1.6.4 Secondary Data	6
1.6.5 Research Design	7
1.6.6 Sample Selection Procedure	7
1.6.7 Data Collection Method	7
1.6.8 Data Processing	7
1.6.9 Tools for Data Analysis	8
1.6.10 Organization of the Study	8
<b>CHAPTER II: REVIEW OF LITERATURE</b>	<b>9</b>
2.1 Theoretical Review	9
2.2 Review of international empirical studies	11

2.3 Review of national empirical study	17
