Roll No. 548/060

MBS Symbol No.:1138/062

TU Regd. No.: 7-1-256-05-97

ACKNOWLEDGEMENTS

This thesis is conducted for MBS program under taken by Tribhuban University. This study is an attempt to analyze the “Premium Collection and Investment Pattern of Insurance Companies”. This thesis has come in this shape not by the sole effort of me but the contribution of many individuals and institution. I take this opportunity to acknowledge those contributing hands.

I would like to express sincere gratitude to Associated Professor Dr. Bihari Binod Pokharel, Head of Research Department for his continuous support during this dissertation preparation.

I would like to express my profound gratitude to my supervisors Dr. Prakash Neupane and Mr. Rajesh Poudel who provided a lot of constructive comments and suggestions. I think without their support this report wouldn't have been produced in this form.

I would like to express special thanks to Mr. Anil Dhulgel [Sr. Manager-Adm/Acc., Everest Insurance Company, Mr. Krishna Gopal Thapa [Sr. Manager, Neco Insurance Company] and Ranjeet Saiju [Sr. Manager, Alliance Insurance Company] for the support in Collecting Materials. I feel happy for getting help from Mr. Sunil Dev Subadi [Analysis, Research & Development Officer – Insurance Board] and Mr. Kundan Kumar Karna [Manager/Chartered Accountant, Beema Sasthan.

I heartily thank to my brother Mr. Ranjan Gautam, my friend Mr. Niranjana Maharjan and my parents for their valuable guidance, support and encouragements regarding this thesis.
