## **ACKNOWLEDGEMENT**

This thesis has been completed with the great deal of support, guidance and cooperation from many people without of which the study was impossible, therefore first of all, I would like to express my gratitude to Pashupati Multiple Campus, Office of the Dean, Faculty of Management, Tribhuvan University for providing me an opportunity to carry out this research study as a partial fulfilment of requirement of Degree in Master of Business Studies (MBS).

I express my heartfelt gratitude to my respected research advisor, Mr. Kiran Thapa for his guidance and valuable suggestions received through my study. I would like to express my sincere gratitude to Mr. Gyan mani Adhikari, chairperson of research committee, Mr. Bishnu Pd. Pant Campus Chief and all other members of research committee members for their valuable suggestions and guidance to complete this study. My deep appreciation also goes to all faculties of the Management Program for providing me the theoretical and practical guidance to conduct this study.

My deep appreciation goes to Ms. Sita Koirala for her great effort and support to complete this study. I am very much thankful to all the members of Nepal Stock Exchange and Security Board of Nepal for their cooperation & help during the data collection period. I am very much grateful to library staff of Pashupati Multiple Campus for helping in searching related literature. My sincere thanks go to T. U. Central Library for providing the related thesis & literature and those organizations that provide me related literature & information.

I am very much thankful to all those Personals from whom I collect the complete information for this study without their cooperation it would not have been possible. At last not the least I would like to thanks to all my friends for their cooperation, continuous encouragement & help to complete the study

**Radhika Koirala**
