## ACKNOWLEDGEMENT

This thesis entitled “**Impact on Performance Before and After Public Offering**” is related with the financial sector of Nepalese economy. In this study the impact of public offering in the financial situation of different five financial company are taken in to study.

During the thesis writing, firstly, I am indebted to my respected teacher and thesis supervisor **Jagat Timilsen** Lecturer University Campus Kirtipur. Without his continuous encouragement and insight knowledge support this research work would not come into this present format. I would like to extend my sincere gratitude to all my teachers of Central Department of Management who prepared me to come into this present situation with academic and practical knowledge.

The key person of my research to extend my thanks are the respondents who are involved to give their views with out any delay to provide information at right time. My special thanks go to staff of library section at CDM, Central library Kirtipur. Similarly, the cooperation from British council and Public Information Center are kept in first hand for the knowledge generation for my research work. I am equally indebted to Prof. Dr. Jaykrishna Pathak, Associate professor Bishnu Hari Koirala and Ajaya Dhakal for their valuable comment and suggestion during my study and research work.

I would like to thank my colleagues Mr. Ram Krishna Chalise, Mukti Tiwari, Laxman Dhungana for their continuous support in academic and technical writing,. I am indebted to my parents who sacrificed their time and effort for my higher education.

Chitwan,  
July, 2011
