## **ACKNOWLEDGEMENTS**

MBS Degree provided by Tribhuwan University has indeed been fruitful for the students like me enrolling for the career in the field of management. In partial fulfillment of requirements for the degree of MBS, I have prepared this report with sincerity, honesty and diligence, as far as possible, which has indeed helped me to gain extra knowledge required to build up my career. Besides my continual efforts, I also got support from different people and parties for which I am extremely grateful and by their support while completing my work.

Firstly, I owe a debt of gratitude to Prof. Dr. Sushil Bhakta Mathema, Head of the Research Department of Nepal Commerce Campus. I am extremely indebted by their efforts despite of their busy schedule.

I would like to express my heartiest gratitude and sincere thanks to my thesis supervisor Rajeshwor Neupane who encouraged me from the initiation to completion of this task with there scholar guidance and profound comments and suggestion.

I am thankful to my friends, for their insightful comments and suggestions. I would like to convey my sincere thanks to the staff of Nabil and Everest Bank Ltd, Research Department of NRB, Individual Investors and Experts for providing all necessary data and required information for this study. Similarly, I like to thank librarians of Nepal Commerce Campus, Tribhuvan University for providing various books, reports, journals and other publications.

Lastly, my heartfelt thanks goes to my family members along with classmates who have supported me by providing consistent help and encouragement.
