ACKNOWLEDGEMENTS

I am heartily indebted to my respectable supervisors **Rajeshwor Neupane** and **Pitambar Ghimire** lecturers of Nepal commerce campus who despite their hectic schedule, provided invaluable and insightful suggestions and comments to me while I was preparing this thesis as a research supervisor.

I would like to pay my sincere thanks to **Prof. Dr. Sushil Bhakta Mathema**, Head of Research Department, **Jyoti Pendey**, campus chief of Nepal commerce campus; respected teachers of Nepal commerce campus for their help in providing me various kinds of suggestions, information and comments.

I would also like to express my grateful thanks to all other members of Nepal Commerce campus, especially, staffs from MBS department, libraries staffs as well as all the staffs of NPSE, SEBO, LIC, NLIC and NLG for providing me sufficient materials and suggestions.

Last but not least I am greatly thanks by my all friends and family members. In this regard, I'm grateful to my friend **Bishal Gurung**, **Gyanendra Bikram Shah** and **Raju Dahal** for their motivational effort and support even though they have very busy hours.

Advices, Recommendations and suggestions are whole heartedly Thanks.
