ACKNOWLEDGEMENT

Theoretical knowledge alone cannot suffice the need of modern student. Students should also possess great deal of practical knowledge to cope with this competitive world. Tribhuvan University (TU), being aware of this fact, has been changing its course curriculum time and again to cope with the changing environment of the world. Thesis writing in Master of Business Studies (MBS), is one among such TU's effort, which enhances practical exposure and cater real world experience among the students. This is highly commendable.

I feel very happy to get a chance to express gratitude and thanks to my respected Gurus and helpful colleagues. I would like to express my sincere and deep gratitude and thanks to my supervisor **Dr. Arhan Sthapit**, for being tremendous mentor. I would like to thank him for encouraging my thesis and continuous guidance. This advice on my thesis has been priceless.

A special thanks to my family also who support me in every step of my study. Words cannot express how grateful I am to my husband for all of the sacrifices he has made. I would also like to thank all of my friends and my colleagues who supported me in writing and incited me to strive towards my goal.

I wish to express my special appreciation to Mrs. Liza Shakya, who helped me by giving invaluable suggestions and providing me guidelines for completion of this thesis. I have no words to express my gratitude to her for her untiring help and valuable advice. Last but not least, I would also like to extend heartfelt gratitude to my colleague Mr. Amrit Khanal who supported me by providing me his laptop for few days when I was in need of it.
