ACKNOWLEDGEMENT

It has been a matter of great pleasure for me to complete this thesis under the supervisor of Mr. Dev Raj Shrestha, lecturer of post graduate campus, Biratnagar, affiliated to Tribhuvan University. I am very much indebted to him for his kind supervision, guidance and inspiration during the preparation of this thesis. The work would not have been materialized at present form without his incisive observation and intellectual direction in the course of the thesis.

I would like to extend a special thank to Mr. Hari Har Bhandari, campus chief, and Prof. Dr. Khagendra Acharya Head of Department of post graduate campus, Biratnagar for their kind support and guidance. I am also grateful to all the teachers of post graduate campus, Biratnagar, whose suggestion have also been fruitful to me for the completion of this thesis. This work is not a sole effort of mine only, a large number of individual have contributed to this research work. My work has also been influenced by the number of standard and popular text book in the related field. As far as possible, they have been fully acknowledged at the appropriate place.

I am also thankful to the Project Manager Mr. Satrugan Shah and all the staff members of Biratnagar Milk Supply Scheme for their constant support.

Further, I would like to thank to my friends Shanti shrestha and Kishor shrestha, who has helped me in my computer works concerning this Thesis and all my parents and family members who have been the towering source of my inspiration throughout my academic career.
