ACKNOWLEDGEMENT

I would like to express my heartfelt gratitude to all those respondents for their support and help to completion. The present study is a result of the and support of several hands.

I am highly indebted to my thesis supervisor Lecturer Resham Raj Sharma of Prithvi Narayan Campus Bagar, Pokhara Nepal, for his invaluable suggestion and constant guidance. I express my sincere gratitude to him as this thesis work wouldn't have materialized at the present form without his careful observation and right direction in the course of the thesis.

I am equally grateful to Dr Pushpa Raj Sharma, Chairperson of Research Committee of Prithvi Narayan Campus for his co-operation and motivation. I would like to express special thanks to all my teachers of Prithvi Narayan Campus. I would like to express my hearty thanks to Mr Prakash Thapa of Prithvi Narayan Campus for his kind support.

I am also grateful to employees of OM finance Limited for providing necessary data and information. I would like to give my special thanks to Krishna Prasad Baral of OM Finance company for his kind support and providing me necessary data and other relevant materials needed for this report writing.

Finally, I would like to express my due gratitude to my brother Niraj Shrestha for his effort and help for computer assistance during report writing and also want to express gratitude to my whole family members who always support me and encourage me to complete assigned work on time.
