ACKNOWLEDGEMENT

I feel extreme pleasure to experience my own creation in that form of the thesis that adds value to others. Actually this thesis is the partial fulfillment of requirements for Masters Degree of Business Studies (MBS) form which I have gained a lot of knowledge while doing it. This is of course the result of my self endeavor and hard work but this would not have been completed without helpful hand of intellectuals.

First of all, I would like to express a deep sense of gratitude to Head of Research Department and supervisor of this research work Dr. Prithbi Bikram Rai for his constrictive guidance, suggestion, timely supervision and kindly co-operation in completing this thesis work. His guidance and help has been a great source of encouragement and inspiration to me to bring out of this thesis into this form.

I would like to extend my gratefulness to my respected Campus chief Mr. Uma Nath Oli and other teachers, staff of library and administration of Mechi Multiple Campus. I also like to say thanks to the staff of KBL and EBL for their kind co-operation for providing a relevant data and valuable information for conducting of this research work.

I would like to express my great thanks to my friends Miss Saraswoti Magar and Mr. Shyam Bhattarai for their moral support and help in each and every step during the thesis writing period.

Finally, I would like to express my deep sense of indebtedness to my loving mother Mrs. Hem Kumari Tamang and my brother Mr. Yobraj Lama who inspired and supported me in different ways to bring out this thesis in this shape.
