ACKNOWLEDGEMENTS

Firstly, I would like to express my heartily gratitude to my thesis supervisor Dinesh Man Malego, Head of Research Department of Patan Multiple Campus for incisive and constant guidance. It would not have been possible for me to complete this research work without his unflagging supervision, advice and direction. So, I owe great debt of gratitude to him.

My thanks also goes to the staff of Patan Multiple Campus Library and all my colleagues. My most sincere thanks are due to the respondents who at the cost of their work and time patiently answered the questions regarding the research.

I would like to thank my family members and my brother Binash Sainju for their valuable suggestion, continuous encouragement and help through the research work.
