ACKNOWLEDGEMENTS

My deepest gratitude goes to my thesis supervisor Prof. Dr. R.K. Shah for his continued guidance, encouragement, motivation and support at each step of the study. I am grateful to Professor Dr. Ram Prasad Gyanwaly, Head, Central Department of Economics, for giving me chance to conduct this study.

I express sincere thanks to all the members of Central Department of Economics, who helped me directly and indirectly in the course of collecting research materials. Similarly, my thanks also go to the staffs of MoF, CBS and NRB for providing me required data and information for this study.

I would like to thank all other friends for their help during preparation of statistical database.

I am indebted to my parents for their encouragement and continuous support to accomplish this work. Likewise, my special thanks go to who have always supported and encouraged me during my study.

Ramesh Acharya
