ACKNOWLEDGEMENTS

I am pleased to take this opportunity to express my heartfelt gratitude to my thesis supervisor Dr. Rashmi Rajkarnikar, Lecturer at Central Department of Economics, Tribhuvan University for his valuable guidance, encouragement and suggestions throughout my work. Similarly, I am grateful to Prof. Ram Prasad Gyanwaly, the Head of the Central Department of Economics for his suggestions and guidance. I also feel privileged to express my gratitude to all the teachers of Central Department of Economics for their gracious response to my queries.

I would like to thank all the non-teaching members of Central Department of Economics, all the staff members of Central library, T.U. Kirtipur, and officials of the government and non – government of and other concerned authorities for the help they extended to me during this study in very many ways.

I am heartily indebted to my family and friends Sushila Ghimire, Mina Subedi and others who encouraged me all the moment to complete this work in time.

I bear sole responsibility for any errors and discrepancies that might have occurred in this thesis.

Bina Dharel
