ACKNOWLEDGEMENTS

During the course of this study, I have received significant help from a number of people and institutions whose input was helpful in accomplishing this work. Sincere thanks go to the respected supervisor Associate Prof. Tara Prasad Bhusal, Central Department of Economics (CEDECON), TU, Kirtipur, Kathmandu for his valuable technical guidance, suggestions, inspirations and supports towards this study. It would not have been possible for me to complete my study without his supervision, advice and direction.

I would like to thank to respect Head of the Department Prof. Dr. Kushum Shakya and external examiner Prof Dr. R.K. Shah for their cooperation, suggestion and information. Similarly, I express my great thanks to all my teachers from Central Department of Economics for their suggestions, guidance and my care to me during my study period. Special thanks also go to the staffs and Executive Authorities of SFCL Panchgachhi and Shivasatakshi Municipality, Jhapa for their kindness and generosity in availing me with required data.
