Bala Bahadur Bishwakarama

ACKNOWLEDGEMENTS

My indebtedness and gratitude goes to the many individuals, who have assisted to shape this thesis in the present form, cannot be adequately conveyed in a few sentences.

Initially, I would like to express my sincere gratitude and indebtedness to my respected supervisor Asso. Prof. Dr.Uma Shankar Prasad for this invaluable supervision, constructive comments and suggestions, which gave the final shape of this thesis and he has always believed in me and encouraged me to go further.

I would like to offer my sincere gratitude to Tribhvan University, Central Depart of Economics , for Providing me the opportunity to carry out this research study as a partial fulfillment of Master's Degree Program. My gratitude goes to all the teachers and staffs of the Central Department of Economics, T.U., whose sound theoretical knowledge provided me the basis for the preparation of the thesis. Special thanks to all staffs of inland revenue Department and Ministry of finance of Nepal for providing necessary data, information and Congenial environment for preparation this thesis. I am thankful to my Family, office staffs and my friends for their valuable support in this research work.

I am grateful and proud to have respected my mother Mrs.Mashini Maya Bishwakarma and my life partner Samundra Khatri (BK),whose inspiration and support helped me to achieve this Success.

Bala Bahadur Bishwakarma

(Researcher)
