ACKNOWLEDGEMENTS

A special thanks goes to my respected supervisor Associate Professor Dr. Yogesh Ranjit for his enormous contribution, valuable challenging feedback, constructive comments and suggestions that pushed me to think critically about what I was trying to say in my writing. His comments and perspectives along the way were insightful and motivational, which has helped me write a better thesis. I very much enjoyed the open discussions on all topics of my thesis and I am extremely appreciative of his willingness to share knowledge and experience with me.

I would like to extend my regards to Prof. Dr. Kushum Shakya, Head, Central Department of economics for allowing me to conduct my research on `Contribution of Footwear Production Output and Employment Generation in Kathmandu Valley`.

My thanks goes to every board members of Footwear Manufacturing Association Nepal and specially for thanks to Homenath Upadhya and Rabin Shrestha for their support and providing proper information at the stage of data collection. ,

I express my reverence to my parents Mr. Puspa Raj Baral and Mrs. Radha Devi Baral whose supports, blessings and guidance has taken me in this position. I would also like to thank to my spouse Mrs. Sarsawati Sapkota for her support, encouragement and prayers during hard times of my study. I am also grateful to my kid Sudikshya for her smiles even on my busy which always gave me strength.
