## **ACKNOWLEDGEMENT**

This study entitled “Profitability Analysis of Commercial Bank in NEPAL- A case study of Nepal SBI Bank Limited and Himalayan Bank Limited” is prepared for the partial fulfilment of the requirement for the degree of Masters of Business Studies (MBS). It is believed that the findings of the study will contribute by some means to the bank for making aware of the issues in Nepalese banking sectors and will be beneficial to all those parties, policy makers, academicians, shareholders, management, depositors, and general public.

The report is an outcome of the outstanding support from Nepal SBI Bank and Himalayan Bank so I extend my heartfelt gratitude to the staffs of both banks. I am especially thankful to Mrs Raju Lamichane for has guidance and encouragement to complete this thesis on time from the data collection to bring this thesis into this finished form.

It has been a matter of great pleasure for me to conduct this dissertation under the supervision of Govinda Tamang, who provided me great support, intellectual guidance, and inspiration during the preparation of the thesis. I extend my thanks to all the teachers of Central Department of management kirtipur for their support and encouragement too.

Lastly, I heartily thank to all the library members of Central Library, TU, who help me providing required books and thesis, and my family, friends for their support and suggestions during the completion of this study.
