ACKNOWLEDGEMENTS

This thesis has been prepared on “Financial performance of Joint Venture Banks in Nepal (With special reference to SCBNL & EBL)” for a partial requirement of the Master’s Degree in Business Studies. Precisely from the beginning of the very idea to work on the subject to its completion stage, I have incurred both intellectual and moral debts to many. Therefore, I would like to express my sincere gratitude to them.

I wish to extend my deep sense of indebtedness to Mr. Lal Mani Pokhrel, my thesis supervisors, who has contributed a lot, to carry out this research work in spite of his busy schedule and provided me valuable guidelines, insightful comments, encouragement and generous treatment to complete this thesis. This work never has been come out in the present form without such inspiration, valuable suggestions and guidelines. Similarly, I also wish to extend my sincere gratitude to Mr. Chakra Bahadur Bom, head of research committee of Mahendra Multiple Campus, Nepalgunj for his valuable contribution.

I am also extremely indebted to all the teachers and staffs of Mahendra Multiple Campus, Nepalgunj for co-operation and kind consideration in bringing out this research report in complete form. I express my heartfelt gratitude to my parents who always inspired me to complete this journey of higher education from the benchmark of my academic qualification that I had. Without their encouragement and inspiration my higher education could not have been fulfilled.

I must not forget to thank my friend Mr. Namaraj Bagdel, Mr. Sunit Shrestha, Mr Uday Raj Adhikari and Mr. Dharma Raj Koirala. Without their cordial cooperation, this work would have been very difficult for me.

Thank you,

INDRA BAHADUR K.C.
