## **ACKNOWLEDGEMENT**

This is such mind-blowing opportunities for the MBS students, which has been provided by T.U. As for as thesis is concerned, it really increasing the knowledge of the students in the course of analysis in their respective work. It helps the student to show their capacity as well as practical experience for future work.

I express my profound gratitude to my thesis supervisor Kabi Raj Acharya for his patient and continuous guidance with valuable comments and kind support to me all way through this thesis. I also want extend any sincere gratitude to Associated Professor Dr. Pusapa Raj Sharma and Mr. Devi Lal Poudel for their valuable suggestion.

I also owe an indebtedness to all reputed authors whose writings have provided me the necessary guidance and invaluable materials for the enrichment of my research paper in all possible way. I would like to express my genuine appreciation to all the staff of Prithvi Narayan Campus, Western regional library staff, and staff of Nepal Food Corporation that provide me necessary information and data.

Last but not the least I owe my great respect to my Family and brothers Mr Umesh Ghimire And Mahesh Ghimire who always encourage me to achieve success. My love goes to my friends Govinda Raj Waggle,Ratna Bdr.Chettri,Uday Kumar Sharma who helped me every way possible they can. My next thanks goes to Adarsha Offset Printers Bagar-1, Pokhara for marvelous contribution in computer works.

I have tried to cover all the possible matter that, I feel, important to sum up the “Profit Planning and Control of Nepal Foods Corporation” I am hopeful that this task will be helpful to the students of business studies and to those who want to make further researchers under this topic.
