## **ACKNOWLEDGEMENTS**

This present study entitled Financial Performance Analysis of Finance Company in Nepal is prepared for the partial fulfillment of the requirement of the degree of Master in Business Studies (M.B.S).

I would like to express my deep gratitude to my thesis supervisor Shanker Thapa of St-Xavier's College for his guidance, support and constant encouragement to complete this dissertation. I would like to appreciate him for this supervision and commitments to improve the quality of this dissertation.

I also acknowledge to the respondents of the questionnaire, staffs of selected companies for providing necessary information and required data and also the library staffs of St-Xavier's College and T.U. library for their cooperation. My special appreciation goes to my family for being pleasure source of inspiration.

To accomplish this study, I have done the optimum effort from my level to offer precise information in the related topics and hope it will act as a reliable reference to upcoming students, respective institutions as well as seekers of related studies.

I would like to express hearty thanks towards all members of my family and friends who provided regular inspiration and continuous contribution for my success.
