ACKNOWLEDGEMENT

I am thankful to everybody, who in one way or the other, encouraged me and helped me in the process of preparing this thesis. My heartfelt thanks and gratitude go to those without whom the work would ever have reached its final stage.

Thesis supervisor **Prof. Snehalata Kafle and Pitri Raj Adhikari** for this necessary guidance, support and cooperation to complete this thesis. With great regard, I would like to thank **Prof. Dr. Kamal Deep Dhakal**, Head of Research Department, Shanker Dev Campus for the necessary suggestion to undertake this work.

My deep appreciation also goes to staffs of T.U. Central Library, Shanker Dev Campus Library and all the employees of sample banks.

I would like to share my success with the family members for providing a good environment for the study and their valuable support without which no work can be concluded in success. I also like to loud the help and support from my friends. Their evaluation, critical analysis and their suggestions are incredible.

Finally, once again I would like to thank all the people who helped me in some way or other in presenting this thesis as a final product.
