## ACKNOWLEDGEMENT

Thesis is really an appreciable curriculum of T.U. because it helps the students to express their theoretical concept gained during the study period into the practical field. So, being concerned to thesis, I got a chance to express my theoretical concept gained from class and library study into this practical field.

At first, I would like to express my cordial gratitude to my all teachers. For this dissertation, I would like to pay my sincere thanks to my Thesis Advisor Mr. Santosh Mainali, Lecturer at Global College of management. His incessant suggestion and guidance from the beginning to the end is really an appreciable effort. His valuable support for the preparation of proposal to thesis is really praise worthy. The same credit also goes to Prof. Dr. Puskar Bajracharya, Head of the Research Department, Global College of management.

I would also like to express my gratitude to Prof. Dr. Radhe Shyam Pradan, Prof. Dr. Madhav Raj Koirala and Prof. Dr. Azaya Bikram Sthapit for their precious guidelines. I am extremely indebted by their efforts despite their busy schedule.

Last but not the least I'm greatly indebted by my all friends and family members. In this regard, I'm grateful to my friend Thaneshwor Saud and MBS staff Rajendra Darai of Global College of Management.
