## AKNOWLEDGEMENTS

This thesis on drug abuse includes the causes and consequences of drug abuse in Kakarvitta town of Mechinagar, Municipality. The study also provides the socio-economic status of drug users in Kakarvitta.

Different personalities have their roles to complete this thesis. I am particularly grateful to the Central Department of Sociology and Anthropology from where I got an opportunity to conduct this study. I am also grateful to Prof. Dr Om Gurung, Department Chief, Sociology and Anthropology, Kirtipur.

My sincere gratitude goes to my research guide Mr. Jiban Mani Paudel for guiding and giving valuable suggestions during the study and analysis period.

I also would like to thank Mr. Ekendra Uprety and all the members of Knight Chess Club, a harm reduction centre at Kakarvitta, who helped me out to identify the drug addicts and also for collecting the necessary data.

I specially thank Mr. Roshan Pradhan, Vice-Principal of Tarapunja English School, and all the other staffs for their support during the study and also for providing the necessary data.

I also would like to express my sincere gratitude to Prakash Ghimire who helped me out with the computer works and other technical assistance.

My heartily thanks goes to the brave parents of the drug addicts who co-operated with me for providing the necessary information.

Last but not the least; I am thankful to all those informants and community people who helped in my study directly and indirectly.

Prem Sharma
