ACKNOWLEDGEMENT

This dissertation entitled "Socio-Cultural Consequences of Phewa Lake Water Pollution: An Anthropological Study of Pokhara," is a regulation of Tribhuvan University as the partial fulfillment of the requirement for the Master's Degree in Anthropology. It attempts to investigate the consequences of Phewa lake water pollution.

I would like to express my warm and sincere gratitude to my research supervisor Mr. Amrit Kumar Bhandari for his tireless guidance, constructive comments, gracious suggestions and encouragement with invaluable ideas in preparing this work into this final look. My sincere gratitude goes to Mrs. Shanti Bhusal, Head of the Department, of Sociology/Anthropology of Prithvi Narayan Campus for consenting me to write the dissertation on this topic.

Similarly, I am ideally indebted to my respected Assistant Lecturer Late Khumnath Baral who initially helped me to choose the topic of the dissertation by providing me the appropriate ideas and suggestions with a serious concern on this challenging task.

My sincere acknowledgement also goes to the PSM for providing necessary information to complete this study. Similarly, I specially appreciate and acknowledge the Social Development Officer, PSM, Mrs. Kalpana Baral and chairperson of Phewa Lake Conservation Committee Mr. Hemraj Pahari.

I extend my heartfelt thanks to all my respected teachers Dr. Prakash Upadhayay, Mr. Janardhan Thapa, Mr. Surya Bhakta Sigdel, Mr. Sharad Poudel and all the respected teachers at the Department of Sociology/Anthropology, Prithvi Narayan Campus and the department itself for creating me a desirable environment to conduct study on this topic. I would like to express my heartfelt thanks to all of those

respondents, who helped me for collecting data. I am also thankful to Miss Shraswati Gurung, Miss Anita Kunwar, Miss Mira Khadka and Mr. Pramod Bhandari for their help during my field works and other dissertation related works.

I express my heartfelt thanks to Pushpa Raj Paudel of "Quick Computer Service Pokhara-1, Bagar" for making dissertation presentable with his skilled and professional computer works.

I express my heartfelt thanks and gratitude to my family members including my parents, sister and especially my husband Krishna Gautam whose inspirations dedication and love carried me to this stage.
