ACKNOWLEDGEMENT

I am extremely grateful to my thesis supervisors **Dr. Geeta Pradhan**, Associate professor in Shanker Dev Campus and **Mr. Shankar Adhikari**, Teacher in Shanker Dev Campus. I would like to express my gratitude for their invaluable suggestions, time and effort paid to me for the completion of this thesis.

I am also indebted to the Information and Technology Development Unit and Branch Managers of Nepalgunj, Surkhet and Kohalpur branch of Bank of Kathmandu for providing such invaluable knowledge and secondary data for this research work. Specially, I would like to thank to Mr. Nirajan Acharya of Surkhet branch for his invaluable support during entire process of this research. Thanks are due to all respondents and staffs of above mentioned three Branches who helped me by responding the questionnaire. My thanks go to all the teachers and staffs of Shanker Dev Campus who taught me and providing me the materials requested with their full cooperation. I would also like to thank my friend Mr. Bishal Shrestha for his great support and help in preparation of this thesis. Without him I would not have become able to submit this research paper.

Last but not least, I would like to thank my family and especially to my cousin brother Mr. Dipak Shrestha for his great inspiration, constant encouragement and co-operation in my academic pursuit.
