ACKNOWLEDGEMENT

This This report has been prepared on the topic of “**A Study On Risk Analysis Of Nepalese Commercial Banks**”. For the fulfillment of the partial requirement of master of business studies (M.B.S.)

Of course, this is very good exposure from the knowledge of books to the pragmatic world of investment and finance. This research work is obviously not mine exclusive product. I am extremely grateful with all of them who have immensely helped ,guided ,supervised to complete the work.

First of all, I would like to express my deep sense of gratitude to my supervisor ,Mr.Hiranya Prasad Gautam,lecture of post Graduate Campus, Biratnagar(T.U.) for his kind and incentive guidance who inspired me to complete this dissertation. I shall always remember for his precious guidance, valuable direction, suggestion and comment research would have not been completed without his guidance and co-operation.

At last; I would also like to thank that all the persons who helped me directly and indirectly and to carry out this thesis.
