ACKNOWLEDGEMENTS

There are many people who deserve thanks for helping me with this dissertation, but I want to express special appreciation to some of them.

I would like to thank all the members of research committee, especially my supervisor Mr. Shyam Poudel for his advice, generosity and untiring enthusiasm. His counsel and encouragement were invaluable in helping me complete the thesis. Any attempt to express my gratitude to him in words is bound to be inadequate. I am equally grateful to my teacher Mr. Bishworaj Adhikari for his motivation during the course of proposal writing.

I am obliged to Dr. Man Bahadur K.C, the Head of English Department, Pokhara (T.U.), for the approval of this dissertation in its present form. Thanks are also due to all the teachers at the department for their moral support and intellectual assistance.

Similarly, I whole heartedly extend my thanks to my friend Mr. Nabaraj Tiwari for his support and encouragement. Finally, a big hug of gratitude to my dear and loving wife, Krishna Kumari Adhikari, for her love and continuous support throughout my intellectual adventure. Whenever I needed her, I found her by my side. I am deeply indebted to her.
