ACKNOWLEDGEMENTS

I feel glad to present the thesis entitled “**Profit Planning and Control: A Case Study of Global Bank Ltd.**” which is written especially for the partial fulfillment of the degree of Masters in Business Studies (MBS). The main motto of the study is to investigate the Profit Planning and Control of commercial bank.

First and foremost I am deeply indebted to my distinguished teacher and guide, **Mr. Achyut Gyawali** for his invaluable guidance throughout the work. His constant inspiration and support has resulted in the completion of this work. I would also like to express my heartfelt gratitude to all the staffs of Global Bank Ltd and TU Central Library for providing me the necessary information and data required.

Thanks are due to authors of books, journals and articles that were consulted in course of the study. The special thanks goes to all who have directly and indirectly helped me to make this thesis possible.

I am very much hopeful that this thesis would be helpful to the readers in having adequate information about Profit Planning and Control of Global Bank and be a reference for their future investigations.

I am responsible for errors in this report and would like to extend warm welcome to suggestions and comments if any.
