## ACKNOWLEDGEMENT

I would like to express my gratitude and appreciation to all those who provided me the genuine support to complete the thesis. I am greatly be debited with all personalities for their respective helps and suggestions.

I take this opportunity to acknowledge my deep sense of Gratitude to my supervisor **Sneha Lata Kafle** Shanker Dev Campus, Kathmandu for her generous encouragement and undertakings of the supervision of my entire research work. This form of the report is the outcome of her continuous encouragement, helpful suggestions and comments. I wish to extend thanks to Campus chief Ass. Prof Prakash Singh Pradhan and my all respected teachers for providing me the invaluable information, suggestions and comments.

I would like to express my Special thanks to the staff of Library Shanker Dev Campus. My special thanks go for providing their valuable data, suggestions generously for the completion of this thesis. And I would also like to say thanks to my colleagues who provided their help directly or indirectly in my study.

Last but not least, I would like to express my deep gratefulness to my entire friend and my family member for the encouragement and moral support from inception to completion of this thesis research work.

Thank You,
