## **ACKNOWLEDGEMENT**

The present study has attempted to shed light on various aspects of investments. This research work has been successfully materialized in this form with the help of many individuals and institutions.

Many people have contributed in a variety of ways in the preparation of this dissertation. So, I would like to thank all who assisted me during the various stages of this research work.

I owe a deep of gratitude to **Mr. Deepak Kumar Singh, Lecturer** and **Mr. Shambhu Prasad Chaurshiya, Head of Research Department** of Hari Khetan Multiple Campus, Birgunj for their constant encouragement, patient guidance and valuable supervision at every stage of my work. This work would not have been materialized in the present form without their incisive observations and intellectual direction in the course of completion.

Thanks are also due to a large number of staffs from different offices, who co-operated with this work by providing available data and information. Special mention should be made of NEPSE Ltd., SEBON, Ministry of Finance, Tribhuvan University Central Library Kritipur, Kathmandu and Hari Khetan Multiple Campus Library, Birgunj. I wish to express the sincerest thanks to all my friends, colleagues and well-wishers who provided valuable co-operation in my efforts

I would like to express debt of gratitude to my parents for their continuous support in my efforts. Last, I am thankful to Mr. Gauri Shankar Chaudhary for his computer typing and supporting.
