## **Acknowledgements**

First, I would like to express my most sincere gratitude to my supervisor Dr. Prakash Neupane for his necessary guidance, support and co-operation to complete this thesis. With great regard, I express my gratefulness to Dr. Bihari Binod Pokharel, chief of thesis department for the necessary suggestions to undertake this work. I am also grateful to respected professors and other staffs of the college.

My deep appreciation also goes to T.U. Central Library, MOF Library, and NRB Library and other organizations and individuals who extended their helping hands at my need. I am deeply indebted to my family members for their encouragement and financial help to carry out the study.

My thanks go to Mr. Ram Prasad Gautam and Mr. Sudip Phunyal (officer of NRB) for his help during data collection. Similarly, my colleagues Arun, Bikas and Ambika are also thankful for their co-operation during entire phase of the study. I am grateful to Sushil Gautam for his help in necessary calculations and Bishnu Panta for his technical support to bring out this dissertation in the present shape.

Bishal Raj Khanal
