ACKNOWLEDGEMENT

This case study on “Management of Information System, Dhulikhel Hospital” has been prepared to fulfill partial requirement of MBS program under Tribhuvan University. I acknowledge the efforts and guidance put by the faculty members of Shankar Dev campus to help me shape the process and documentation of the study and providing appropriate resources required for completion.

I would like to express my thanks to Prof. Dr. Kamal Deep Dhakal, Campus Chief and thesis committee, Shanker Dev Campus and Central Department of Management , Thribhuvan University, Kirtipur Kathmandu, for giving me the chance to write thesis in the filed of Information Management of Hospital and also for their kind cooperation.

I would like to express my sincere gratitude to my supervisors **Lecturer Shree Bhadra Neupane** and **Er. Shankar Nath Adhikari** for their valuable guidelines and continuous supervision.

The respondents, interviewee of thesis research study, did not have any obligation and neither had any interest, yet, they responded to help me for my study. Thus, I must thank all the respondents for their kind cooperation. Further, I would like to express my gratefulness to **Mr. Pawan Chandra Adhikari**, my brother for his effort, advice, and inspiration for the accomplishment of this project. I also extend my thanks to entire Dhulikhel Hospital family for their kind cooperation and sharing data to me especially to the Department of Information Management.

Thanks to Preshita Banskota, Sushil Ghimire, Umesh Timalina, Sthir Thapa, and all of my friends, my colleagues and my family members, for their help, inspiration and cooperation during my study without whom this work would not be in this stage.
