ACKNOWLEDGEMENT

This study could not have been completed and produced only from my efforts without the help of people. It is my privilege to complete this research work under the regular and able guidance of respected Professor Dr. Bal Krishna, Faculty of Management, Central Department of Management, Tribhuvan University, Kirtipur. I wish to express my heartfelt gratitude to him for his inspiration, regular guidance, generous report, and support as well as unmatched patience that he had the best on me while the preparation of this thesis. This study is conducted with the main aim of evaluating level of capital adequacy, efficiency management and profitability of Nepalese commercial banks to measure performances of them for certain five years. I wish to express my heartfelt gratitude to Prof. Dr. Dev Raj Adhikari, department head, Prof. Dr. Bal Krishna Shrestha, chairman of research committee, Mr. Mukunda Pd. Rimal, administrator, and Mr. Rishi Raj Dawadi, chief administrator and all administrative body of this department for their co-operation as well. I owe the special debt to my loving and respected parents Mr. Laxmi Prasad Subedi and Kaushila Subedi for their support, affection and encouragement in my whole study period. Without their guidance, supports, and encouragement at every stage, this study could not have taken its present shape. I also want to express my thanks to my brothers and sisters who guide me on my whole study and this research work too. I gratefully acknowledge the co-operation and support of those who have helped in data collection for this study. At last I want to provide my warm thanks to my dear friend Mr. Poshan Raj Bhandari for his lots of co-operation and suggestion while conducting this research work. It is very difficult to remember everyone who had a hand in helping out on this study. I would like to express my heartfelt apologies and my thanks to all those whose names are missing here. Finally, I hope this work could be useful for the research works in this similar field. I retain all responsibility for any kind of errors committed in this work.
