## **ACKNOWLEDGEMENT**

This research "Risk and Return Analysis of Commercial Banks in Nepal" has been prepared for the partial fulfillment of the requirement for Master Degree in Business Studies. It is really an appreciable curriculum of T.U. because it helps the students to express their theoretical concepts achieved during the study period into the practical field.

Through my study period, I have received generous support and thoughtful advices from Asst. Lecturer Mr. Dhanishor Timalsina, thesis supervisor, Associate Prof. Lucky Prasad Joshi, head of research Department, Bhairahawa Multiple Campus and profoundly grateful for their intellectual suggestions and encouragements. I would like to express my sincere gratitude to Mr. Narendra Raj Pandey for the enthusiastic support and encouragements.

Many of my friends encouraged me to undertake this venture. In course of preparing this research I got an opportunity to discuss and debate with them. I have been benefited from such a dialogues and especially acknowledge the help of Mr. Manoj Bhandari, Mr. Bikash Tamu, and Mrs, Srijana Dhungana. At this moment, I acknowledge my considerable debt to my friend Mrs. Kalpana Thapa who encouraged and helped me in many aspects.

I would like to express my sincere thanks to Mr, Bikash Tamu for his technical support, without his help the research work can not be presented in this form.

Last, but not the least, I would like to express my heartiest thanks to my family members, my husband , friends and all those who have helped me directly and indirectly to complete this research work.
