ACKNOWLEDGEMENTS

I would like to express my heartfelt thanks to my teachers and supervisors R.P Upadhayay, lecturer of Central Department of Management, T.U. who insisted and guided me to complete this research work. Likewise, I would like to appreciate him for his supervision and commitment to improve the quality of this research work.

It was really gratifying to study the financial analysis of Standard Chartered Bank Limited, Kumari Bank Ltd, SBI Bank Ltd, Everest Bank Ltd and NMB Bank Limited. This research work is entirely highlighted on the dividend payment System of the selected banks. During the time of my study, I received a great deal of help and assurance from various persons and institutions. Especially, I would like to thank the members of the selected commercial Banks Members/staff for their kind support in providing valuable information to complete this thesis.

Indeed, I would like to express my sincere gratitude to Mr. Nabin Bhattarai for supporting and encouraging me to move ahead.

Finally, it my great pleasure to express sincere thanks to all my friends and family members for their support and inspiration to complete this thesis.

Finally, I would like to give my thanks to those who are involved directly and indirectly to make this work.
