ACKNOWLEDGEMENT

This study is mainly concerned with the **Nepal Telecom**. The completion of the present study is a result of help and support of several hands. Therefore, I would like to express my heartfelt gratitude to all those respondents for their help and support.

"Revenue Planning and Cash Management: With Reference to Nepal Telecom ", is the output of my sincere efforts for the partial fulfillment for the requirement of Master of Business Studies (MBS). Through this piece of work, I have strived to present clear picture of NTC and hereby would like to assure that the research is perfectly satisfactory and complete despite the some limitations and shortcomings. Those shortcomings and limitations may be because of limited time frame and resources. I am solely responsible for everything- errors, omissions, good work and findings.

My reverence goes to Prof. **Dr. Kamal Deep Dhakal** and **Romakanta Bhattarai**, Sanker Dev Campus for sincerely guiding me in spite of his busy schedule and providing me valuable suggestions to bring the best out of this research work. Thank you respected sir.

I express my heartfelt thanks to the staff of Nepal Telecom special to Mrs. Khagendra Kumari Nepal for providing all necessary data and required information for this study. Similarly, I thank librarians of Shankar Dev Campus, Tribhuvan University, for providing various books, reports journal and other publications. I am indebted to my friends Sanjiva Karki, Kamal Karki, Roshan Shrestha, Bikash Khadka, and Madhav for their continuous cooperation, coordination and encouragement. Had they not supported me; this work would not have been that easy for me.

Finally, I would like to thank to all the well wishers who have directly or indirectly contributed to accomplish this study.
