ACKNOWLEDGEMENTS

This thesis is written for the partial fulfillment of the requirements for the degree of Master of Arts in Economics. This thesis is the outcome of the continuous support, encouragement and guidance of Dr. Rashmi Rajkarnikar. I am indebted to his valuable suggestions process otherwise this assignment could not be completed. Similarly, I am also feeling privileged to express to Head of the Department of Economics Prof. Dr. Ram Prasad Gyanwaly and all teachers and staff members of Central Department of Economics for gracious response to my queries.

I would like to thank to Mr. Rajani Kant Jha who has helped in field study providing all the required logistic support.

I would like to express my sincere gratitude to my family and friends for their encouragement and support during my study from ground level up to this date.

Netra Prasad Dhungel
