ACKNOWLEDGEMENTS

It is my great opportunity to complete thesis entitled **“Problem and Prospects of Tourism in Kanchanpur District”** under the supervision of Dr. Uma Shankar Prasad, Central Department of economics, Tribhuvan University, with his generous encouragement and under taking the entire supervision of my research work. This research work would not have been possible without his proper guidance, helpful suggestions and comments. I am very much indebted for his efforts and advices and would like to express my sincere thanks and appreciation to him. I also would like to extend my gratitude and thanks to all my respected teachers of the Central Department of economics. T.U. for providing me the information, suggestions and comments.

I would like to extend my earnest to the staff of the Central Library of TU. I would like to express my worm thanks to the staff of department for providing me to useful materials. I equally owe to my late father and other family members with gratitude for their overall support and perpetual encouragement.

Finally, I would like to thank my colleagues for their constant masterful co-operation, reliable guidance and advice which I will always.

Krishna Raj Joshi
