## **ACKNOWLEDGEMENT**

I am extremely grateful to Mr. Jailab Rai, lecturer , University campus, T.U. for his constant encouragement, patient guidance and valuable supervising at every stage of this work. The present work would not have probably taken this shape without his incisive observations that helped me a lot of getting of the proper perspective and a clear insight. I would like to offer my sincere and deep sense of gratitude to him.

I am also deeply indebted to Prof. Dr. Om Gurung, head of the central department of sociology/anthropology of T.U. and all the professors and lecturers of Central Department of sociology/ anthropology, T.U., Kirtipur who helped me with their direct or indirect assistance in bringing out this thesis by their valuable suggestions regarding certain concept and practice of the subject of sociology and anthropology.

Thanks are also offered to the Mithila kewat who helped me by informing about the key informants and suggesting the different ideas about the finding out my needed information. Thanks are offered to all key informants for their co-operation and help during my field work. This study has not been completed without their assistance.

I would like to thank all the staff of central library and Central Department of sociology/ anthropology of T.U. for their sincere co-operation.

I would like to express my gratefulness and respect to my parents who encouraged and helped me to join and complete this level of education.

I am also indebted to my motherland Nepal for the convenient management up to my master level of education. I express my thanks to my brother Mr. Manoj Kumar Jha for technical assistance at the time of complete of this thesis. Last but not least, to error is human and I am no exceptional. So, I apologize for my mistakes committed in this thesis.

Dipendra Kumar Jha
