Acknowledgement

All successful research works are the result of contribution made by a wide range of co-operative hands. This study is no Exception either. During the period of field survey, I received innovative advice and encouragement from my respected supervisor (Guide) Mr. Suresh Kumar Dhakal. His invaluable guidance, feedback and suggestion were instrument in shaping this study and have greatly helped to me to improve the quality of this thesis. First of all, I would like to express my sincere and heartfelt guidance to him.

My sincere gratitude goes to all the respective teachers and staff of the central Department of Sociology/ Anthropology for their sympathy and co-operation during my association with the department. I also express my sincere thanks to all my friends specially, Mr. Dolraj Pandey who is Agricultural officer in Nawalparasi, who helped me to develop special vegetable calendar.

I would like to express my thanks that A. H.W. Mr. Man Bahadur Kohar, A.N.M.Nandakala Sharma who are directly involves to technical support of growth monitoring. It will be injustice to forget all those FCHVs of Sanai who helped me to visit and introduced me to the respondent. I would like to remember Mr. Shanker Adhikari who encourages me for completing Thesis.

I would be grate negligence to forget my father Mr. Teknarayan Bhandari, mother Mrs. Dhankala Bhandari who paid all of their life, property and concern to educate me.

This thesis would be incomplete without inspiration and cooperativeness of my wife Mrs. Parbati Bhandari who create the academic environment to complete this research.

This list would be incomplete without extending my thanks to all the respondents/ informants form Sanai VDC.
