## ACKNOWLEDGEMENT

**Socialization of Children in Children's Home: A Case Study of Namaste Children Home: A Study Based on Orphan and Destitute Children of Jarewar,6-Pokhara,Kaski** is a dissertation prepared in accordance with the mandatory rule of the Tribhuvan University as the partial fulfillment of the requirements for the Master of Arts in Anthropology. It is an attempt to investigate the condition of destitute children of NCH along with the latest improvements made by the organization for the well being of the children.

It is a matter of great pleasure for me to express sincere gratitude to the research committee, Central Department of Sociology/Anthropology, T.U., Kirtipur, Nepal for providing me an opportunity to present a dissertation on this topic.

I would like to express my thanks from the core of my heart to my research supervisor Dr. Suresh Dhakal, Department of Sociology/Anthropology for his highly valuable, significant and encouraging suggestions to complete this dissertation. In spite of his other duties and responsibilities, he shared his priceless time and guided me with his astute suggestions, supports and direction to complete this research work. This research work would not have come out in the present shape without his guidance and counseling. Likewise, I express my sincere thanks to Mrs. Indrakala Baral, lecturer of Sociology/Anthropology at PNC for her kind support and suggestions extended to me during the time I worked.

I express my heartfelt thanks to all the members of Namaste children's Home, especially to Bhishma Poudel, Shushil Sir and dearest brother Rishi and all the respondents who welcomed my endless questions with a wonderful curiosity and patience. Without their cooperation this work would not have been possible. Similarly, I owe my special thanks to my husband Mr. Birendra Raj Baral, and my father R.C. Upadhaya counselor of Step by Step Higher Secondary School, Masbar, Pokhara, My sister Mrs. Nirmala Baral principal of SBSHSS, my sister Pratiksha Baral lecturer of Management at T.U. my sister Anju Baral and my friend Mrs. Sila Baral for their kind assistances during the field work.

Last but not the least; I would like to express appreciation to brother Prakash and Sewak for their support and encouragement extended to me during the time I worked on for this thesis without which the present research work would not have come in this present shape and standard.
