ACKNOWLEDGEMENT

“Commercial Vegetable farming and women’s Livelihood” is a Sociological study of Sardikhola, Ghachowk and Machhapuchare VDC, is a dissertation prepared in accordance with the mandatory rule of Tribhuvan University as the partial fulfillment of the requirement for the Master of Arts in Sociology. It is an attempt to investigate the women’s livelihood changed by vegetable farming.

I would like to express my warm and sincere gratitude to my research supervisor Shanta Bhushal, the department head of Sociology/Anthropology for her tireless guidance, constructive commitments, gracious suggestions and encouragement with invaluable ideas in preparing this work into the final look.

Similarly, I am ideally indebted to my respected late Mr.Khumnath Baral who initially helped me in selecting framework and suggested me with a serious concern on this challenging work.

Likewise, I am again sincerely indebted to Mr. Deb Bahadur Chetry for managing my scattered data in analytical form through the computer program SPSS11.5 for windows. I must thank him for his assistance and encouragement through the work of this dissertation.

I would like to express my heartfelt thanks to all of those respondents, who helped me for collecting data. I am also thankful to Miss Shova Acharaya for her help in the collection of data at the field. Special thanks to Mr.Rajan Kumar Pariyar my classmate researcher and Sarmila Acharaya as well for their kind assistance during the field work.

Likewise, I am again sincerely indebted to my honorable teachers of Department of Sociology/Anthropology Prithivi Narayan Campus, Pokhara for their direct and indirect assistance by providing the documents and assistance.

At last but not the least, I am very much indebted to my family for their warm affection, continuous encouragement and support, without which the present research work would not have materialized.

Laxmi Thapa
