ACKNOWLEDGEMENT

This study is an outcome of cumulative effort of a number of individuals and institutions. I am very much indebted to those institutions and individuals. My special thanks go to the Dadakharka people of Jalakanya VDC who generously provided the required information.

My hearty gratitude goes to my supervisor Mr. Durga Prasad Adhikari who helped me a lot in completing this dissertation. Through his uninterrupted guidance, supervision, inspiration and valuable suggestions this work came into its present form. I am also thankful to the head of the department, Tika Bahadur Thapa for providing valuable suggestions to carry out my study. I also like to thank all the teachers for their encouragement and support to carry out my study. I would like to express my particular indebtedness to all teachers who have brought me here, giving the light of education.

I also thank the libraries and librarians at Sindhuli Library, Central Library of TU CNSP and CNAS, where I reviewed the relevant literature for my study.

I express my gratitude to my mother Mrs. Shova Devi Dhakal **and my wife Renu pokharel** for their support proceeding the work and finally completing it. I would like to express my gratitude to my brothers as well as other relatives for their constant encouragement for my perseverance.
